**Other Important Information:**

Post Baccalaureate certification students completing the 2015-2016 FAFSA to receive financial aid for certification must complete the following questions on the FAFSA accordingly:

Question #29 – What will your grade level be? – **Student must answer “5<sup>th</sup> year/other undergraduate.”**

Question #30 – What degree or certificate? – **Student must answer “Teaching Credential (non-degree Program).”**

Question #48 – Are you a masters or doctorate student? - **Student must answer “No-Not working on a masters/doctorate program.”**

**Master of Arts in Teaching (MAT) degree**

If you are planning to pursue the MAT degree after certification you will need to relay that information to your Education advisor since that may determine how many certification courses you should take at the graduate level. (In some cases, taking all of the graduate options would result in your taking more than the 36 hours needed for the degree.) Requirements for the MAT degree are:

Core courses – EDUC 500, 504, and 508	9 hours
Curriculum and Instruction	6 hours
Psychological and Philosophical Foundations	6 hours
Measurement and Evaluation	6 hours
Electives	<u>9 hours</u>
Total	36 hours

Go to the Education Department website (<http://web.ccis.edu/Departments/Education/MasterArtsTeachingProgram.aspx>) to view the course list for the MAT degree to determine which category your certification courses would fall.
