Master of Arts in Teaching (MAT) degree

If you are planning to pursue the MAT degree after certification you will need to relay that information to your Education advisor since that may determine how many certification courses you should take at the graduate level. (In some cases, taking all of the graduate options would result in your taking more than the 36 hours needed for the degree.) Requirements for the MAT degree are:

Core courses – EDUC 500, 504, and 508	9 hours
Curriculum and Instruction	6 hours
Psychological and Philosophical Foundations	6 hours
Measurement and Evaluation	6 hours
Electives	<u>9 hours</u>
Total	36 hours

Go to the Education Department website (<http://web.ccis.edu/Departments/Education/MasterArtsTeachingProgram.aspx>) to view the course list for the MAT degree to determine which category your certification courses would fall.
